PRICING

Pricing Model:

There is an implementation/on-boarding charge dependent upon both the scale and complexity.

This can range from £5,000 upwards.

On-going fees for the SOC service and management/optimisation of Sentinel

This typically starts at around £7,500 pcm for a 3 year contract but is dependent upon service scope, scale of infrastructure and number of users.

There is a range of additional services which can also be provided on a standalone basis. Please also see the e2e Protective Monitoring and SOC Service Definitions and Pricing Documents.
